

# NULLARBOR COUCH

A **cost effective** fine leaf variety perfect for **full sun conditions**.

Nullarbor Couch is a popular choice for home owners looking for a lawn that presents value for money, bearing lower upfront cost. Best suited for areas receiving upwards of seven hours of direct sunlight per day, this fine leaf variety is a Summer stunner - showcasing a deep green colour and tidy appearance. When mown regularly to a height of 15-20mm in Summer and 20-30mm in Winter, you will maintain a tidy manicured lawn to complement your outdoor living space.

### FINE LEAF TEXTURE

The fine leaf texture of Nullarbor Couch is its defining feature, and the key to its renowned manicured look. With an upright growing habit, a well maintained Nullarbor Couch lawn will reward you with a deep green backyard perfect for outdoor activities. A family favourite, you'll love spending quality time in your new green living area!

### COST EFFECTIVE

Offering excellent value for money, you'll get more lawn for your money. Ideal for new homes and outdoor living areas, Nullarbor Couch is an affordable solution. Once established and maintained as part of a regular lawn care regime, Nullarbor Couch is a great way to finish a backyard that you'll be proud of.

### THRIVES IN FULL SUN

Nullarbor Couch is a great lawn option for backyards that receive upwards of seven hours of full sun per day. With this basic requirement met and a dedicated lawn maintenance regime of seasonal fertilisation and regular watering, your lawn will look healthy and green throughout the year. At its prime in the heat of the Australian Summer, it features a resilience that can stand the test of time.
